

HP Color LaserJet CP6015 Printer series

CP6015dn • CP6015x • CP6015xh

Experience maximum flexibility—use one printer for both high-volume office printing and brilliant marketing collateral on media up to 12 by 18 in.

Versatile performance

Large groups and power users can expect results—the HP Color LaserJet CP6015 Printer series is HP's highest performing and most versatile color laser printer. Get more done with fast print speeds for both black-and-white and color—up to 40 pages per minute (ppm), letter.

Whether you're printing general office documents, spreadsheets, sales and marketing pieces, posters, or architectural drawings, this printer meets your needs. Print documents from letter size all the way up to 12.6 by 36 inches, and weights from 16 to 58 lb. Complete jobs with less interruption with an input capacity of up to 2,100 sheets, and produce more in-house with options such as stapling, stacking, and booklet making.

Easy to install, use, and manage

Designed for easy installation, the printer ships with all supplies preinstalled. Individual, high-volume print cartridges help ensure a low intervention rate. Advanced Auto Navigation makes clearing jams effortless.

Easily share the printer across multiple users with embedded Gigabit networking, including IPv6 support and new security features. The HP Universal Print Driver provides familiar, consistent set up and printing across a network for HP printing devices.

Reduce IT intervention with the fleet management capabilities of HP Web Jetadmin—including new features such as color access control.

Intelligence in the print cartridge enables automatic print quality adjustments. It also alerts you when supplies are low and provides convenient options for online reordering through HP SureSupply.¹

Exceptional print quality

Count on HP for a trouble-free printing experience with consistent, reliable performance at fast speeds. HP proprietary toner formulas are designed together with the printer to enable high-productivity printing.

Improved media sensing and HP ColorSphere toners deliver brilliant color, realistic photo quality, and exceptionally high gloss on a broad range of media for professional looking marketing documents. Auto neutral calibration ensures great results for demanding color applications.

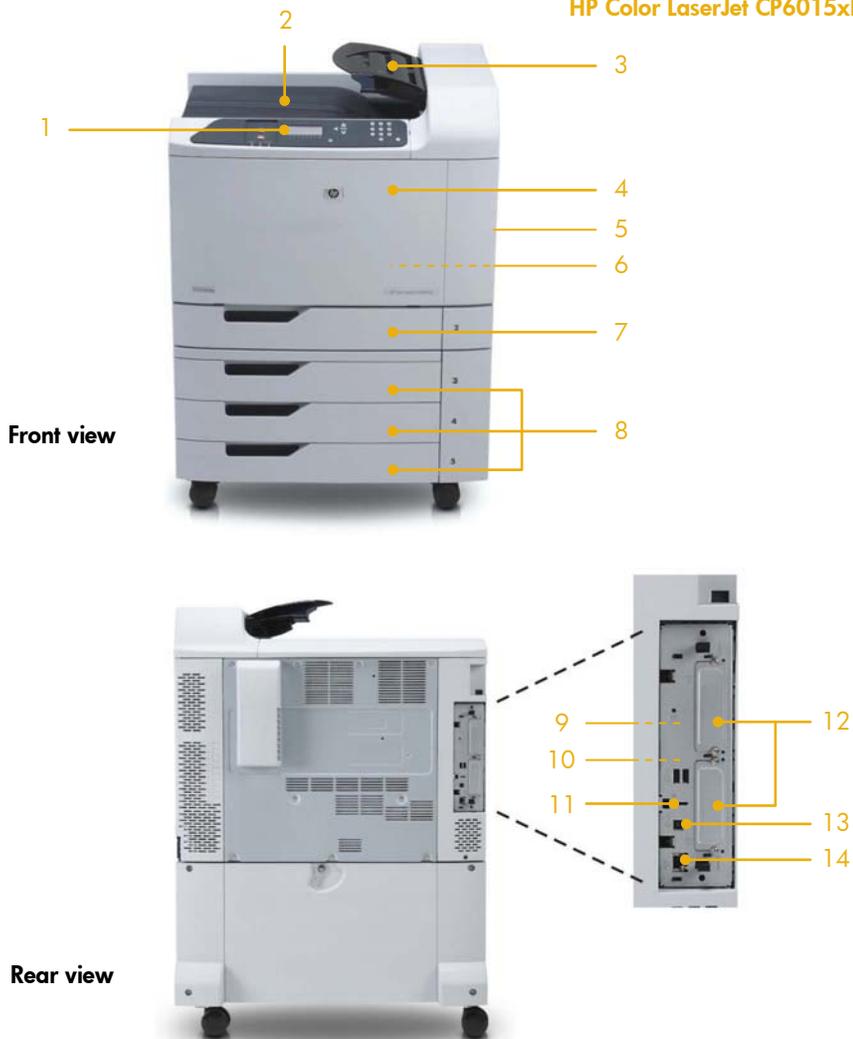

Multiple imaging modes and Image REt 4800 smoothly render complex imagery without sacrificing speed. With up to 1200 by 600 dpi, get exceptional line detail for cartography or CAD applications.

Do it all with HP's most powerful, productive, and versatile color laser printer.

Affordable in-house printing

High-quality color speaks louder than words—make a powerful impact with the HP Color LaserJet CP6015 Printer series. Count on consistent high-gloss finish for professional looking documents in both color and black-and-white. Create impressive sales and marketing brochures, print internal proofs or project schedules, or produce brilliant, wide-format architectural drawings and spreadsheets. Use the printer's banner printing capabilities for eye-catching promotional posters.

HP color access control makes it easy to assign color access to specific users and applications so you can control your color printing costs. That way, people who truly need color—such as your sales team and marketing department—can use it, and those users or applications which don't require color can be assigned to default black-and-white printing.

Get the most out of your printer with HP accessories, supplies, and services.

⁴ Exact speed varies depending on system configuration, software application, driver, and document complexity.

⁵ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

⁶ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs.

⁷ The optional HP 3-bin stapler/stacker and HP booklet maker/finisher may only be added to the CP6015dn model after you have added either the optional 500-sheet paper feeder or the optional 3 by 500-sheet paper feeder.

⁸ Requires software from the NOS vendor.

⁹ Average continuous black cartridge yield 16,500 standard pages. Average continuous composite cyan/yellow/magenta cartridge yield 21,000 standard pages.
